Engelhardt Scholarship Committee

The application form for the Helen W. and Joseph Engelhardt Scholarship for 2026 is attached.

Please take your time, read the application with care, and respond thoughtfully, providing all the information that is requested for our committee to review and give you the best consideration for a scholarship. When completed, please ensure that all required signatures are in place.

The completed application **must be returned by Monday, March 30, 2026 – please note that any application received after this deadline cannot be considered by the committee.** Our timeframe is tight as we have to meet, review the applications, and offer recommendations for church council to consider. Successful applicants will receive their scholarship awards on Graduation Sunday, which is usually held in late June.

Thank you for your interest in the Engelhardt Scholarship Program. I hope our committee can assist you with your educational expenses by awarding you a scholarship.
